

OTTERBOX PROTECTION *for the*

Samsung Galaxy S III

Inspired by nature.

The Samsung GALAXY S III is promising to take over the world. Its minimal and organic design provides an ergonomic and comfortable experience with enhanced usability. Featuring a lightning fast processor, 4.8" HD Super AMOLED display, Android Ice Cream Sandwich OS, 8 MP camera, LED flash and zero shutter lag, this smartphone offers the best of everything. In addition to this feature-rich list, this smartphone includes mobile payment capability, WiFi channel doubling (2x typical bandwidth) and is SAFE (Samsung Approved for Enterprise) rated. Consumers and businesses alike will improve their efficiency with this smartphone. This phone is more than worthy of protection from OtterBox.

Protection from human nature.

OtterBox focuses on premium design and ideal form, fit and function for the ultimate smartphone experience. The high quality materials, precision design and fine styling of each individual case ensures reliable performance, high satisfaction and low return rates. To make our cases even better, we subject them to stringent third-party testing and only release a case once it has passed every single test parameter. Galaxy S III customers can choose from the rugged Defender Series case which provides protection against heavy use and random accidents or the stylish and slim Commuter Series that provides tough protection for a highly connected lifestyle.

COMMUTERSERIES®
